Health Commissioner

## New Immunization Requirements

Dear Parent/Guardian of 6<sup>th</sup> Grade Students

The State of Ohio requires, by law, immunizations for **students who will be 7<sup>th</sup> graders in 2016-2017. They will be required to have both Tdap and Meningitis Vaccines.**

Your child **will not** be able to start 7<sup>th</sup> grade until he/she shows proof from a clinic or a physician that they have been vaccinated against these diseases.

Contact your immunization provider and see if your child has received these vaccines. If so bring/send a copy of the immunization record to school.

If not, call now to schedule an appointment. To schedule an appointment at the Seneca County General Health District please call 419-447-3691 ext. 333. Clinics fill rapidly **DO NOT** wait until summer to make your appointment. **Submit proof of immunization to the school.** If you have questions about these vaccines you can speak to a nurse at 419-447-3691 ext. 352.

Seneca Co. General Health District

"Serving the Cities of Fostoria, Tiffin, and all of Seneca County."

This Agency is an equal opportunity provider of services and an equal opportunity employer.
